

The Equipment Director shall:

- (i) Maintain an up to date inventory of all equipment (balls, pinnies, nets, coaches' bags, etc) excluding jerseys and clothing belonging to Storm;
- (ii) Ensure that adequate and appropriate equipment is available for the training and game needs of the Club and proposing new equipment purchases to the Executive as and when required;
- (iii) Be responsible for ordering all new equipment including clothing required by the Club, as approved by the Executive;
- (iv) Distribute appropriate equipment to individual teams at the start of each season;
- (v) Ensure that all team equipment is returned to the Club at the end of each season;
- (vi) Arrange for appropriate winter and summer storage facilities for club equipment; and
- (vii) Be responsible for the distribution and management of keys to the storage facilities.
